# Have you thought about a career in Teaching? Teacher Taster Course

**Day 1: 19 June Day 2: tbc Day 3: 24 September 2013**

If you are a graduate, or final year graduate, have GCSE (or equivalent) in English and Maths and are seriously considering becoming a secondary teacher, this three day course could help you to make an informed career decision.

Two tutored days will cover: the current context for schools, an introduction to learning, teaching and assessment, roles and responsibilities of members of the school community, the routes to qualified teacher status.

A one day placement in a local school provides the opportunity to see teaching in action and talk to teachers, support staff and pupils.

**Applications from under-represented groups are particularly welcomed.**

**For further details and an application form email: [teachsuffolk@suffolk.gov.uk](mailto:teachsuffolk@suffolk.gov.uk) or telephone (01473) 263952. Closing date: 13 June 2013.**

**Supported by Suffolk County Council.**

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. DBS checks or police vetting will be required for relevant posts.
